

35 PAIRS · 70 CARDS · AGES 8+ · 2-6 PLAYERS OR SOLO · FOR FAMILIES AND COLLECTORS

Find two the same. *Sounds easy.*

The pairs game with all 35 Wompfel. Most of them are round, pink-rimmed and look at you as if they know more. That is exactly what makes it hard.

BASIC RULE

How to play

1. Shuffle all cards face down and lay them out in a grid.
2. Take turns turning over two cards.
3. Same Wompfel? Keep the pair and go again.
4. Not the same? Turn them back, next player's turn.
5. When all pairs are gone, whoever has the most wins.

Family round: younger players may turn over three cards per turn. For a short round, 8-12 pairs are enough.

WOMPFEL VARIANT

No cheering

Wompfel don't cheer, they nod. Anyone who cheers, claps or shouts "Yes!" on finding a pair puts it back face down. Slow nodding is very much allowed.

FOR COLLECTORS

Say the name

A pair only counts if you say the Wompfel's name as you turn it over. Wrong name: turn the cards back.

PLAYING SOLO

The move challenge

All 35 pairs in as few moves as possible (one move = two cards). Under 90 is good, under 70 is Wompfel level.

SHOW US

Your record, your favourite pair or the Wompfel you can never find: take a photo, post it with [#wompfelpaare](#) and tag [@wompfel.official](#). The collector's list at the end is made for ticking off and showing off.

PRINTING

A4 · 100 % · not "fit to page"

Page 1 and collector's list: single-sided
Card sheets (p. 2-13): double-sided, long edge
Card stock 250-300 g/m², matte. Cut along the marks.
Keep the 2 special cards on the last sheet out of the game.

You play with the paper cards – the pairs game is for ages 8 and up. The Wompfel figures in the shop are collector's figures, made in Germany and finished by hand, for ages 14 and up and explicitly not a toy.
